**LITANY OF DEDICATION**

*God of all life, many years have been spent building our dream: to make your church, the First Baptist Church of Delaware, a place where all people, including those with physical disabilities, can come and worship you.*

We pray, O God, that our dream and your dream will become one.

*God of our lives, many hours have gone by, as we have prayed and planned and worked together to determine the best way to realize our dream.*

We pray, O God, that our dream and your dream will become one.

*God of this life, many days have passed, with architect and builder working side by side with the tools of their trade, to turn our dream into a reality.*

We pray, O God, that our dream and your dream have become one.

*God of the past, we remember, with gratitude and love, the many souls, past and present, who have shared our dream, and are now able to celebrate with us the reality of our dream.*

We pray, O God, that our dream will have life beyond this time and place.

*God of our lives, we come in this one hour, to give to you this dream fulfilled, and all of the vision it holds for our future.*

We pray, O God, that we will be given a new dream.

*God of the living, we invite you to come to us in the hours, days and years of our ministry together, and guide us along the paths that lead to life. May this, your church, be a place where all people can come and worship you.*

We pray, O God, that we will always know and live your dream.  
Amen.
